

Daisy and Robin helper medal and Mouse merit

These templates can be used to create spare medals for your Daisy and Robin helpers, and also spare Mouse merits. See the *Make the most of Mouse and Me!* section in the Teacher's Book for more information about these resources.

Mouse mask

Make Mouse masks with your class at the beginning of the year as they become familiar with the course characters and concept.

The masks will be stronger if you can mount the template onto cardboard, before passing to the children to decorate themselves.

Daisy and Robin pictures

These Daisy and Robin pictures can be used at the beginning of the year to help your class become familiar with the course concept.

Give out individual copies to each child to decorate, or blow them up in size and turn decorating them into a class project.

Daisy big cut-out

This big cut-out of Daisy can be printed in color. You can mount it on cardboard to strengthen it, then use the tabs supplied to make the cut-out stand up. The Daisy cut-out can be used to enhance your lessons, e.g. during *Daisy's new words*.

Robin big cut-out

This big cut-out of Robin can be printed in color. You can mount it on cardboard to strengthen it, then use the tabs supplied to make the cut-out stand up. The Robin cut-out can be used to enhance your lessons, e.g. during *Robin's new words*.
