

# Unit 1 Wizard's hat

Make a wizard's hat for Mouse. Cut out, roll, and secure together with glue or tape to make a cone-shaped hat. You can secure it on Mouse with tape.

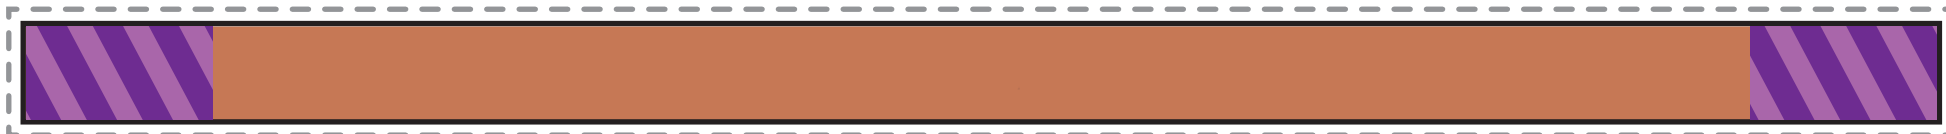

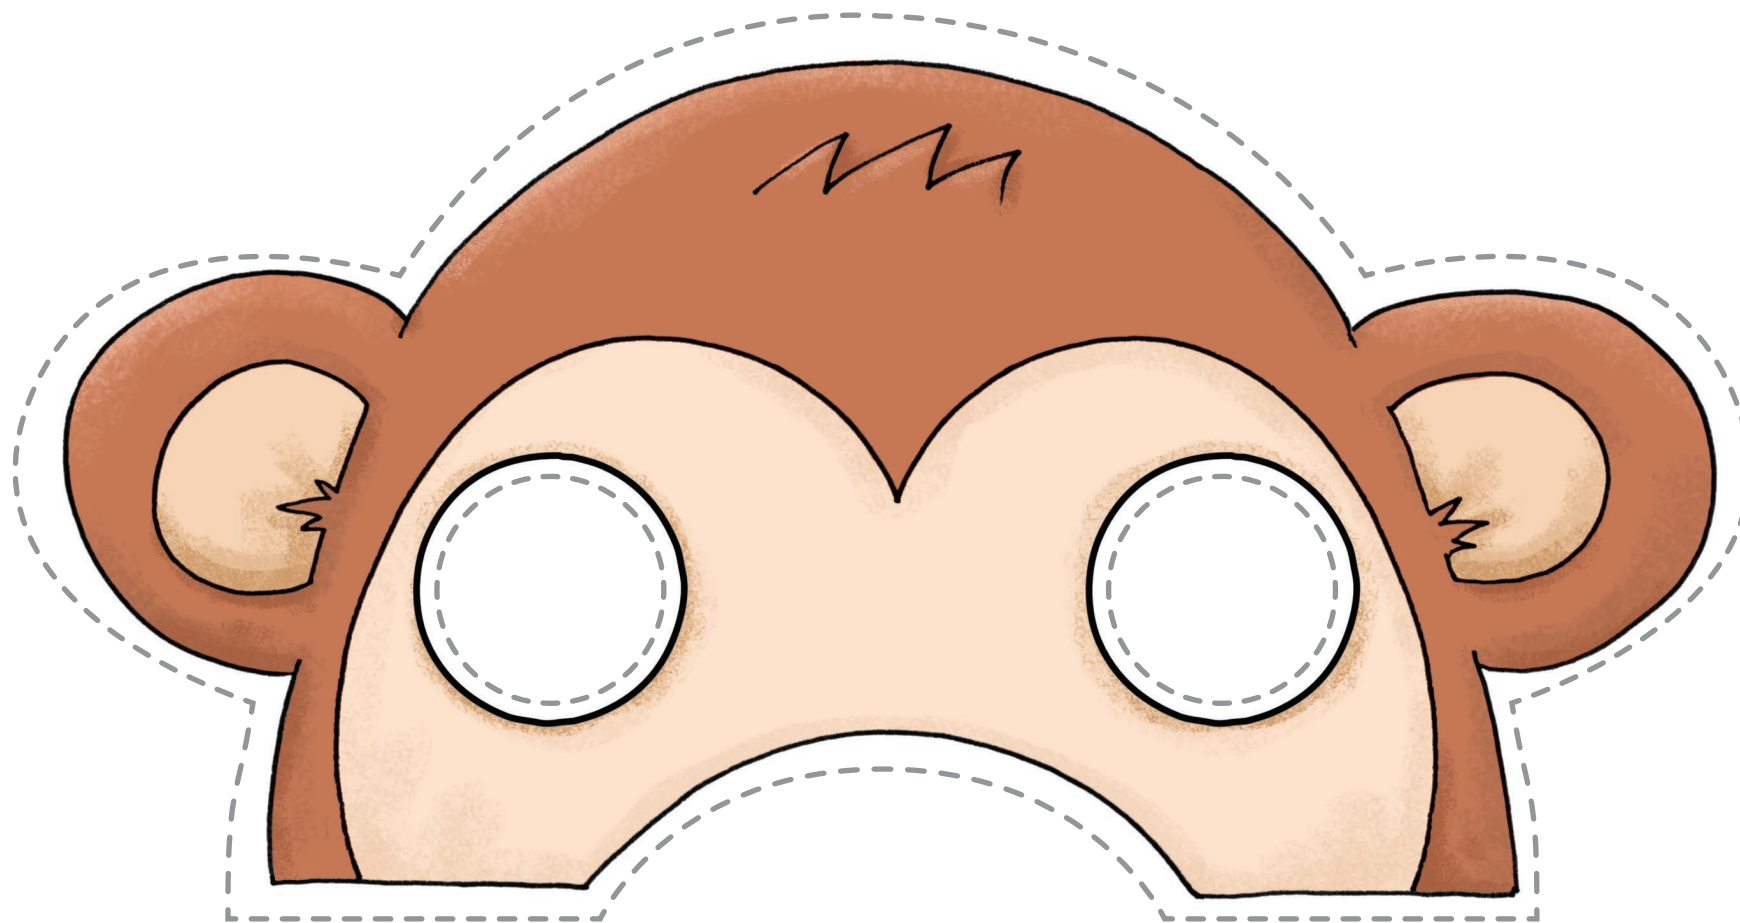

# Unit 2 Hedgehog

Make a spiny hedgehog back for Mouse. Cut out the strip, and wrap around Mouse's body, sticking together with glue or tape to fit. Then cut out and stick the hedgehog back onto the strip so it covers Mouse's back.

# Unit 3 Monkey mask

Make a monkey mask for Mouse. Cut out the strip and the mask. Secure one end of the strip to the mask with glue or tape. Then wrap the strip around Mouse's head and secure to the other end of the mask.

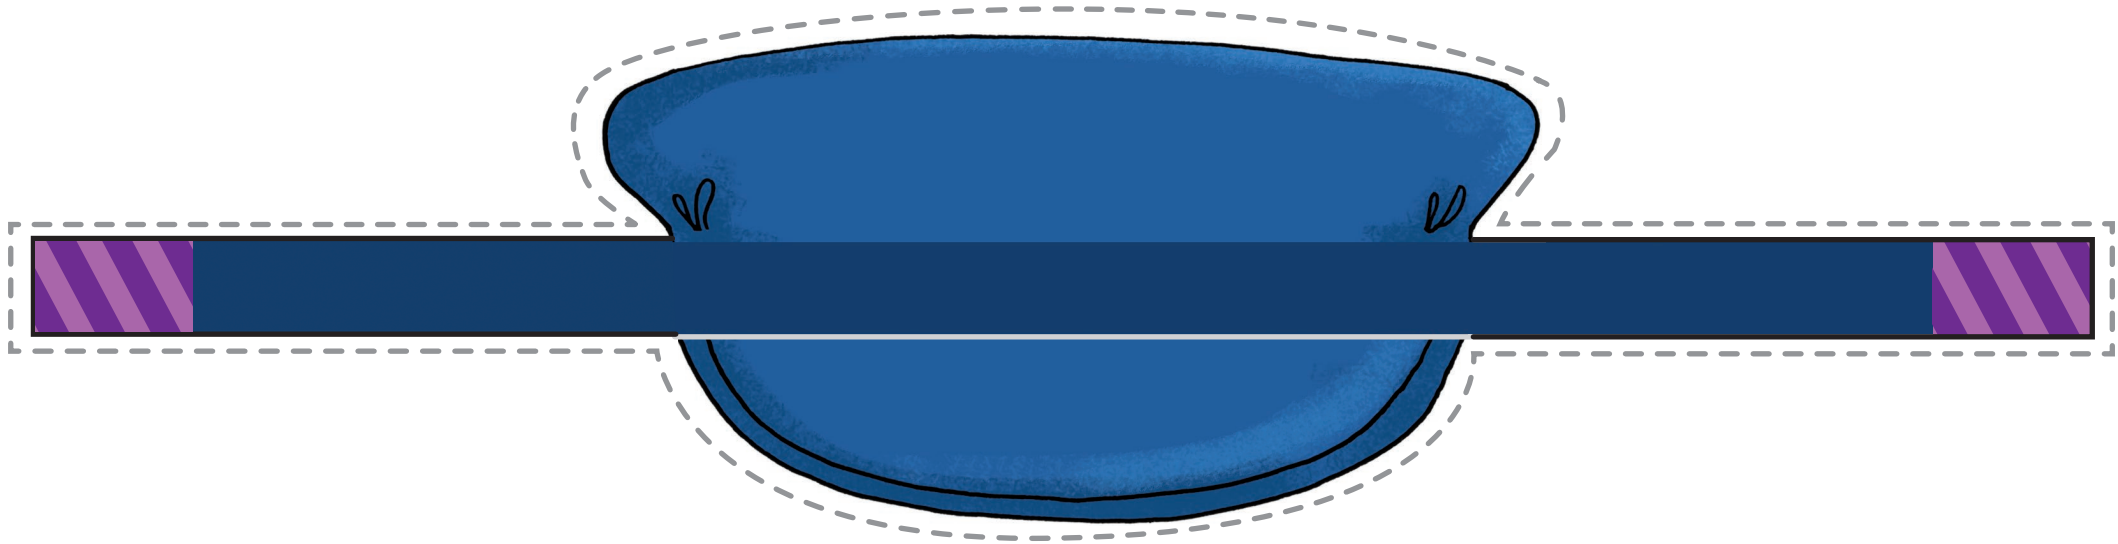

# Unit 4 Cat mask

Make a cat mask for Mouse. Cut out the strip and the mask. Secure one end of the strip to the mask with glue or tape. Then wrap the strip around Mouse's head and secure to the other end of the mask.

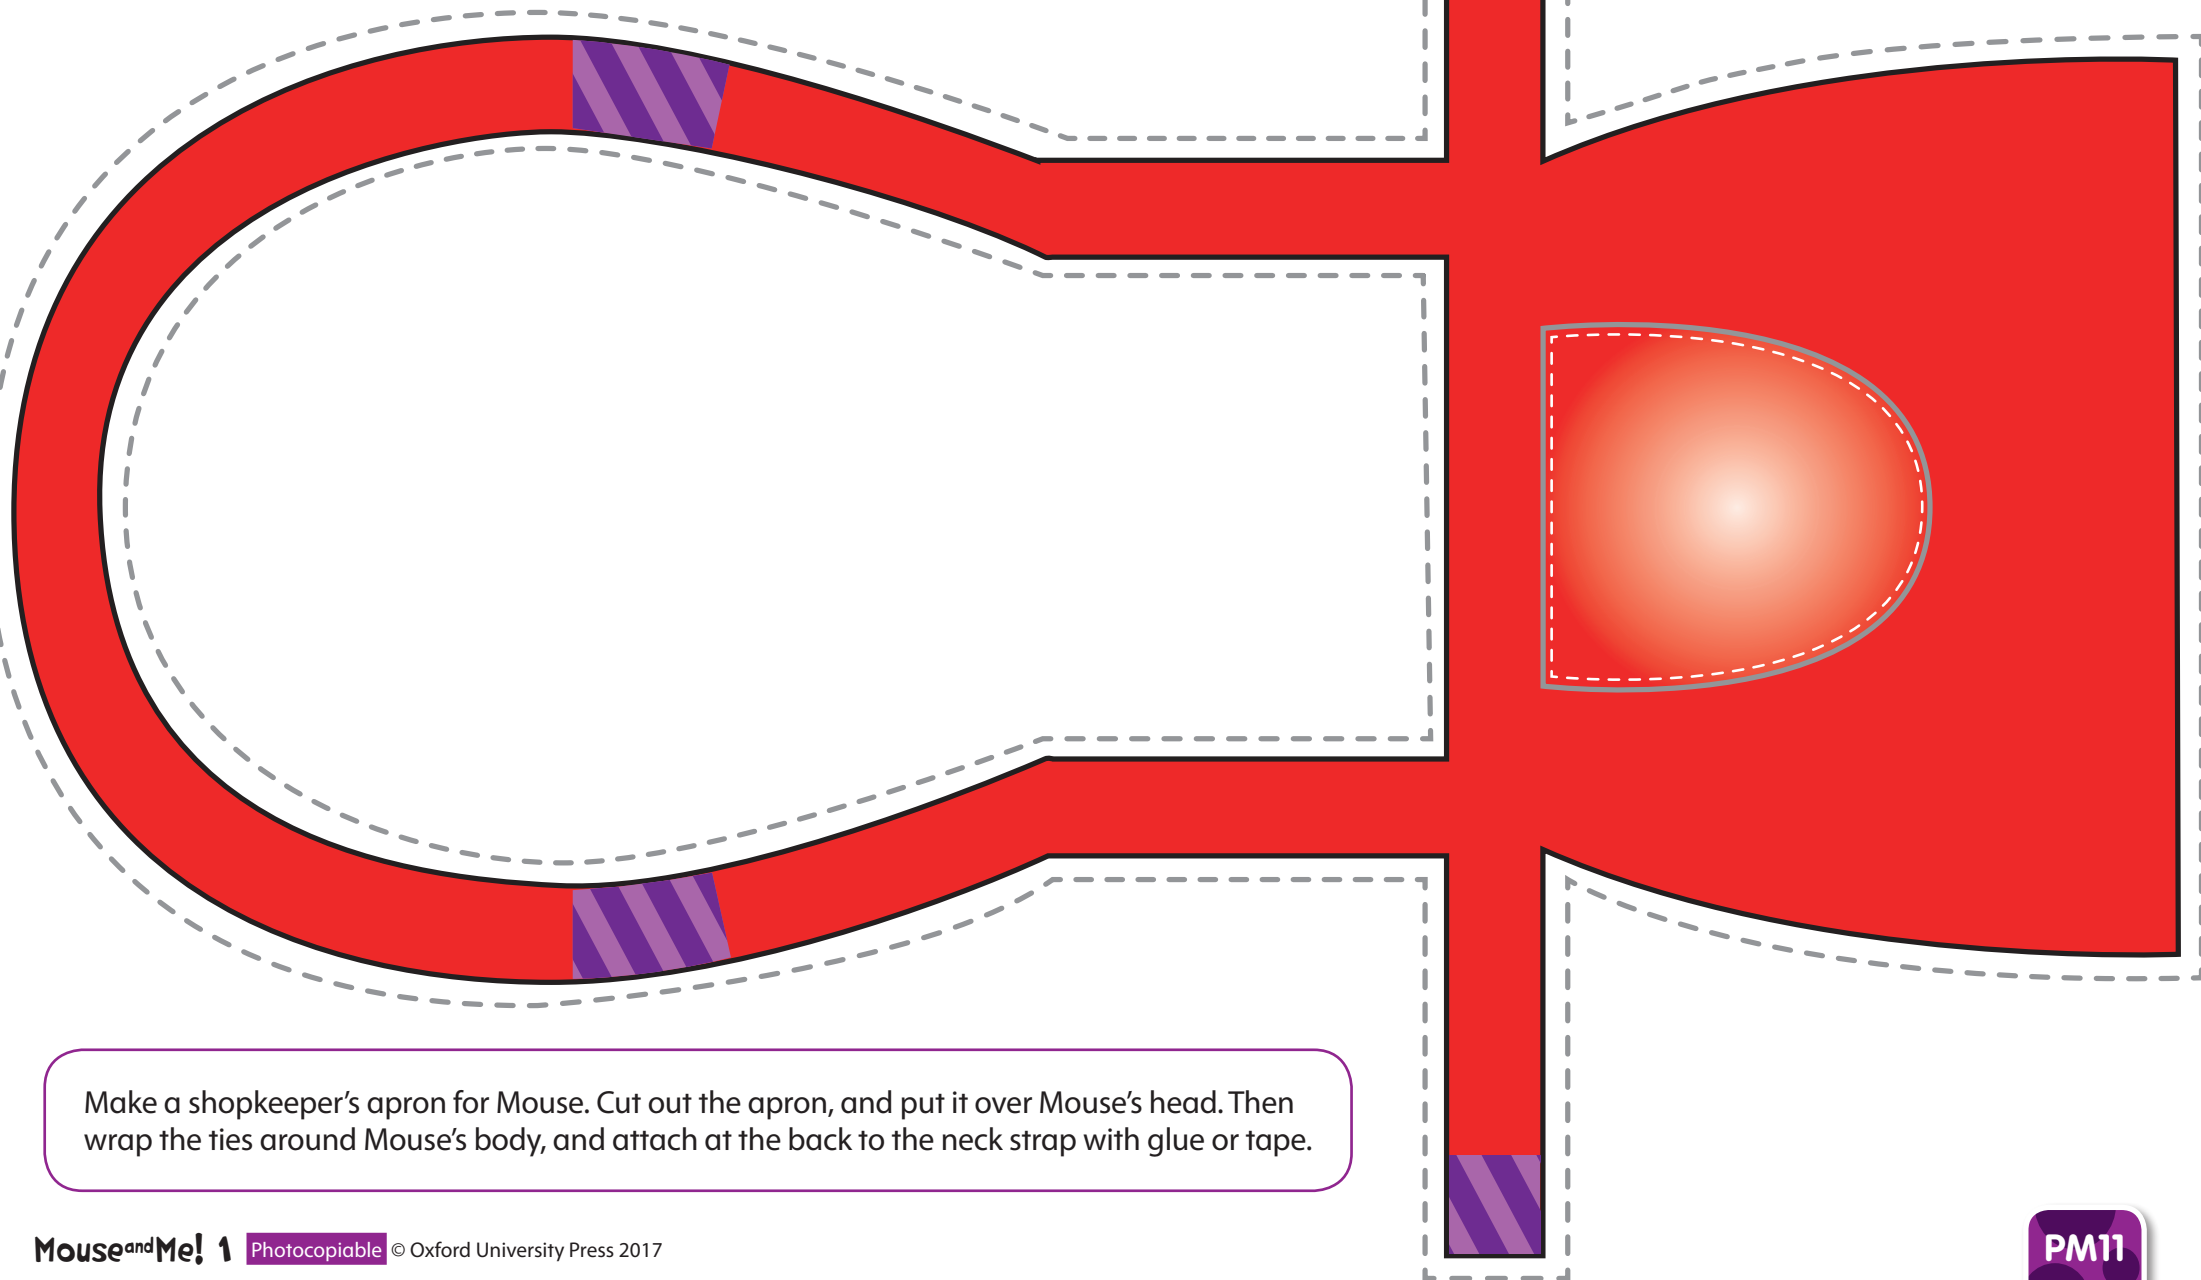

# Unit 5 Train driver's cap

Make a train driver's cap for Mouse. Cut out and fold up the brim of the hat along the fold line. Then put around Mouse's ears and secure by sticking the strips together at the back with glue or tape.

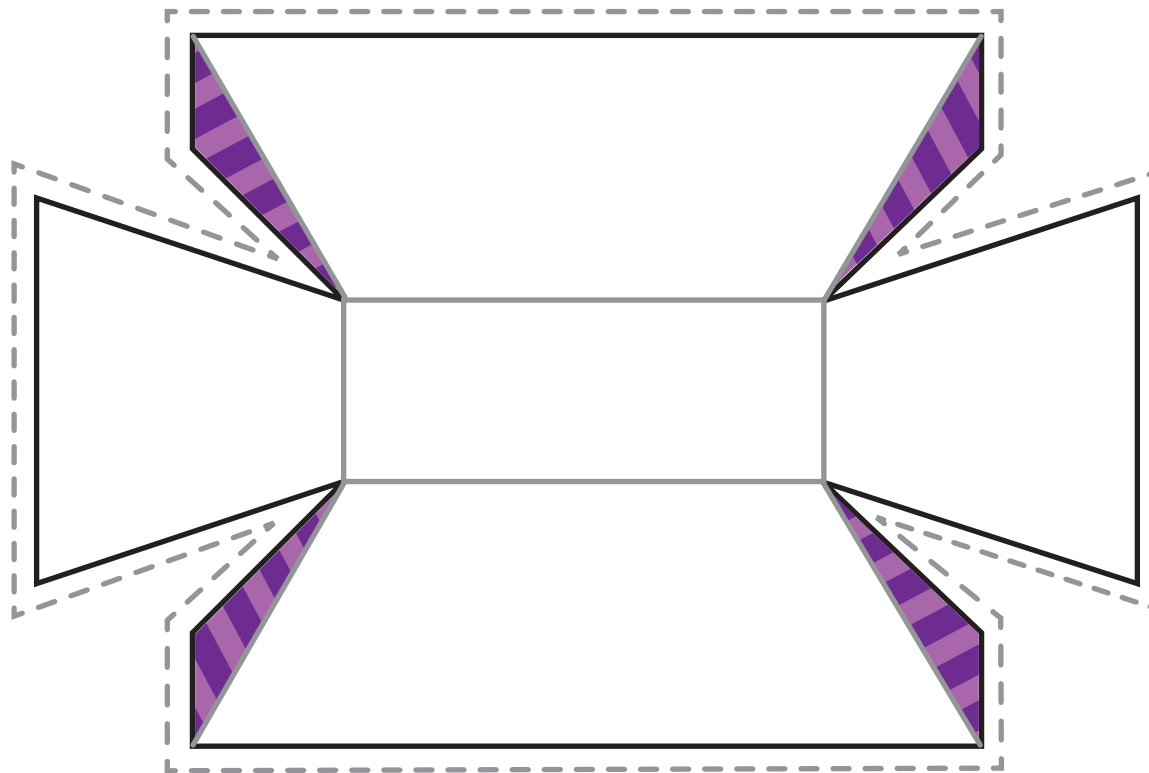

# Unit 6 Shopkeeper's apron

Make a shopkeeper's apron for Mouse. Cut out the apron, and put it over Mouse's head. Then wrap the ties around Mouse's body, and attach at the back to the neck strap with glue or tape.

# Unit 7 Baker's hat

Make a baker's hat for Mouse. Cut out the hat, fold along the fold lines, and secure together with glue. Secure on Mouse's head, between his ears, with tape.

# Unit 8 Pirate's eye patch

Make a pirate's eye patch for Mouse. Cut out the patch and the strips. Glue the strips together, then secure the patch onto the strip. Finally, wrap around Mouse's head, sticking together at the back with glue or tape.
